Managed Wi-Fi

Key Features and Benefits

Ensure ubiquitous and robust coverage across your business or campus with a turnkey Managed Wi-Fi solution from ONQ.

Customised
No two businesses or buildings are the same. We undertake a comprehensive survey of your premises, taking into account variables such as number of employees and devices to deliver the optimal solution for your business.

Fully Managed
Design and installation, ongoing configuration changes, upgrades and support are all inclusive. Eliminate the burden on your IT resources.

Cost Effective
Minimal upfront costs, with a fixed recurring monthly charge. Dropout free turnkey Wi-Fi at its very best.

Fast and Reliable
No longer a luxury, ONQ can deliver the ideal speed for your business with performance we can guarantee.

Redefining the way **Business Telco** in Australia should be.

We are Australia's most trusted telecommunications partner for businesses that demand reliability above everything else.
